

CFA Institute Seminar for Global Investors

Improving Investment Decisions

22–25 July 2019

University of Chicago Gleacher Center
Chicago, Illinois, United States

Hosted with CFA Society Chicago

The attendee will:

- Discuss geopolitics, fiscal challenges facing the developed world, and the effects of central bank and government policies on global markets
- Discover where investors are finding the best values in developed, emerging, and frontier markets
- Explore tools to facilitate the process of asset, strategy, and risk allocation, and examine the role of alternative strategies
- Adapt your investment decision-making process to better deal with uncertainty and risks
- Implementing strategies across asset classes that adapt well to a changing macroeconomic environment

Credit Amount

- CFA Institute CE Program: 27 credit hours, inclusive of 2 hours in the content areas of Standards, Ethics, and Regulations (SER)
- NASBA: 32 credit hours in the content area of Finance, including up to 2.5 hours in the content area of Regulatory Ethics.

Additional Information

- Delivery Method: Group Live
- Program Level: Intermediate
- Prerequisites: Finance
- Advanced Preparation: None
