

# LEVEL II

## PREP FOR MASTERY

### START WITH A QUICK REVIEW

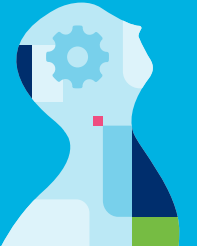

Go back and look at your strengths and weaknesses from the last exam. Make sure you feel comfortable with the fundamentals. Give yourself a little extra study time if you think you need to brush up on the basics.

### GET TO KNOW THE LINGO

Practice helps with this goal. The more you read, the more comfortable you will become with the format of the vignettes. Highlight patterns you notice in key words and phrases.

This exam asks you to analyze situations and provides calculations based on all the knowledge you have accumulated. There are fewer questions on this exam, but you will be asked to think more deeply about them.

### BE PREPARED TO APPLY THIS KNOWLEDGE MORE DEEPLY

Practice helps with this goal. The more you read, the more comfortable you will become with the format of the vignettes. Highlight patterns you notice in key words and phrases.

### BECOME EFFICIENT WITH VIGNETTES

These mini case studies have you work through real-world problems and answer six questions related to each of them. Take a quick look at the questions before you read each vignette. This will give you an idea of the subject matter to be covered.

**10** TOPICS COVERED

**3,250** PAGES OF STUDY CONTENT

Vignettes can be up to 2 pages long so give yourself plenty of time to read. Plan on about 10–20 minutes to read and answer each vignette; the time will vary based on the number of questions that follow the vignette.

### PACE YOURSELF

**48** READINGS INCLUDED

**20–30** VIGNETTES
