

Learn about the Features in the new Canvas Learning Ecosystem

- Study Planner
 - Select weeks you want to study, and exclude ones when not able to study
 - Organize topics in the order you want to study; exclude topics if you choose
 - Planner will generate due dates for completing modules along with estimated reading times; links to topic area course

TOPICS	COMPLETE BY	PROGRESS
		Module Item Complete
<div><div></div><div>CFA-26-02-LIII-A: Asset Allocation</div></div>		23 % 1/5 Modules Complete

✓ Complete | 13/ 13 Module Items

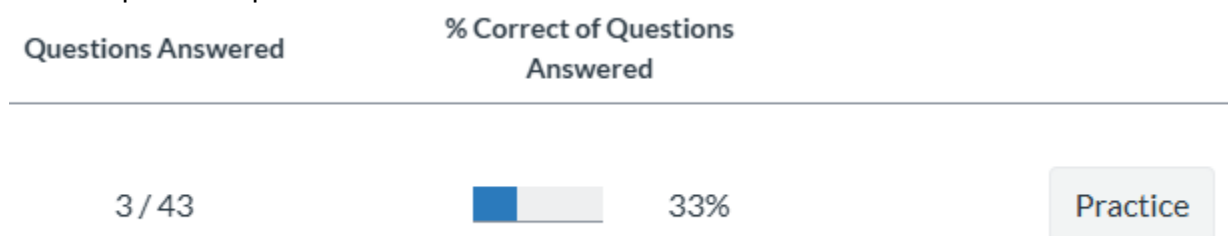

Module 2: Capital Market Expectations, Part 2: Forecasting Asset Class Returns

27% Complete | 3/ 11 Module Items

Module 3: Overview of Asset Allocation

0% Complete | 0/ 13 Module Items

- Shows number of practice questions answered and percentage complete
- Links to practice questions for each module

- **Curriculum, PSMs, and Prerequisite Reading each grouped in separate categories**

[Programs](#) > CFA Program - Level III 2026

CFA Program - Level III 2026 (3)

Curriculum- Level III February 2026

Access your entire Level III curriculum, with features like practice questions, study planner, mock exams, and more.

Practical Skills Modules- Level III February 2026

Practical Skills Modules (PSMs) are designed to develop real-world skills that complement the CFA curriculum. You must complete at least one Practical Skills Module to receive your exam result.

Prerequisite Readings - Level III February 2026

Optional prerequisite readings provide introductory material on Economics, Quantitative Methods, and Financial Statement Analysis to prepare you to study for the CFA exam.

- Access to a direct point of contact (CFA Program Staff) via native Inbox
- 24/7 Technical Support (who are being trained to intelligently direct our candidates to the right resources)
- Flashcards
- Unlimited retakes of the practice quizzes and mock exams (replaces resetting)
- Centralized community discussion board in each topic area with WYSIWIG interface to link to lessons or paste screenshots
- Set language and time zone to personalize the platform (does not change the content)
- Accessibility features available at personal account level
 - High Contrast UI
 - Dyslexia Friendly Font
 - Microsoft Immersive Reader (screenreader)
- Update profile with links to social media if desired
- More stable platform, faster load time, and no syncing issues
- More robust mobile app [Canvas Student App: [Canvas Student \(Android\)](#) or [Canvas Student \(iOS\)](#)]

Some Features from the old Learning Ecosystem that are NOT in Canvas

- Adaptive Study Plan
- Percentile Rank

- Games
- Countdown Calendar
- Knowledge Goals
- Overall Study Plan Progress Bar
- Discussion Threads on Each Lesson Page
- Confidence Levels
- Ability to highlight or bookmark text
- Ability to add a note on a page
- Difficulty Levels on Practice Questions
- Seeing all the answer rationale/feedback at once
- Links in questions to 'Learn more about this topic' (which goes to lesson summary with a link to the lesson)
